

CAS seminar, Monday May 10th, 14.15-16.00:

Karen Margrethe Nielsen (University of Western Ontario):

“The Nicomachean Ethics in Hellenistic Philosophy”

Abstract:

I take up what little we know of the history of the reception in this period of Aristotle's work in general, and his ethics in particular. Then I shall explore certain thematic and doctrinal similarities between Aristotle's understanding of happiness as the highest good and Stoic accounts of the telos of man.
